

Economic Impact Analysis Virginia Department of Planning and Budget

8 VAC 20-470 – Nurses, Physicians, and Therapist Standards Department of Education August 13, 2004

The Department of Planning and Budget (DPB) has analyzed the economic impact of this proposed regulation in accordance with Section 2.2-4007.G of the Administrative Process Act and Executive Order Number 21 (02). Section 2.2-4007.G requires that such economic impact analyses include, but need not be limited to, the projected number of businesses or other entities to whom the regulation would apply, the identity of any localities and types of businesses or other entities particularly affected, the projected number of persons and employment positions to be affected, the projected costs to affected businesses or entities to implement or comply with the regulation, and the impact on the use and value of private property. The analysis presented below represents DPB's best estimate of these economic impacts.

Summary of the Proposed Regulation

The Board of Education (board) proposes to repeal these regulations.

Estimated Economic Impact

These regulations in their entirety are as follows. "School boards may employ school nurses, physicians, physical therapists, occupational therapists, and speech therapists and pay such personnel from public funds, provided each such person shall hold appropriate recognition within the Commonwealth of Virginia by the board or agency having jurisdiction over the respective occupations." The Code of Virginia already makes this clear. Since these regulations neither clarify nor add to language in the Code, the board's proposal to repeal the regulations will have no impact.

Businesses and Entities Affected

The proposed repeal of these regulations will not affect any business or other entity.

Localities Particularly Affected

The proposed repeal of these regulations will not affect any locality.

Projected Impact on Employment

The proposed repeal of these regulations will not affect employment.

Effects on the Use and Value of Private Property

The proposed repeal of these regulations will not affect the use and value of private property.
